

WHEN YOUR PURPOSE IS ABOUT TO BE UNVEILED TO THE WORLD:

YOU WILL HAVE A KNOWING IN YOUR SPIRIT

It will be as clear as day that God wants to reveal you to the world. And there will be personal confirmations whether it is through numbers or just the environment.

PEOPLE WILL SEE IT

There will be people around you who will see the purpose in you that in the past had not seen it. It will almost seem like their eyes have suddenly been opened.

GOD WILL GIVE YOU SUPERNATURAL CONFIDENCE

You will find yourself feeling confident to walk in it. Actually everything inside you will want to walk boldly to your purpose with no hesitation. You will go all in and not hold anything back.
